

Renewing a Device Code

Near the expiration date of your device code, you will receive an email message notifying you that your code is about to expire. Follow the link in the to the authorization server and log in.

Reminder: The OAuth2 device registered as undefined for account don.rule@translationalsoftware.com will expire in 3 day(s).

Dear Don Rule,

The device registered with [QIAGEN OAuth](#) for your account don.rule@translationalsoftware.com will expire in 3 day(s) on Mon Oct 27 23:59:59 PDT 2025

Please note that you can extend the lifetime of your registered device for another 30 days by clicking the extend button [here](#).

Please contact QIAGEN Advanced Genomics Support with any questions at ts-bioinformatics@qiagen.com, or call 1.866.464.3684

Once logged in click on the My Devices tab and click the renew arrow to update your device expiration date.
